

RESPAWN

RULES AND REGULATIONS

- 1. Originality:** All game code and original assets must be created during the **12-hour build window**. The **official 2D theme** will be released in the WhatsApp group on **October 13th** and all games must be based on it. Teams are encouraged to incorporate simple **mathematical elements** such as patterns, symmetry, or geometric designs. **Pre-built games or projects are strictly prohibited.**
 - 2. Assets & Libraries:** Teams may use any **2D game engine or framework** of their choice. Games may be developed for **Web or Windows** platforms. Free-to-use, open-source, or self-created assets, engines, and libraries are permitted, provided they are properly disclosed in the documentation.
 - 3. Progress Videos:** Teams must submit **3 screen-recorded progress videos** during the 12 hours, each **4–5 minutes long**, at approximately **1:00 PM, 5:00 PM and 9:00 PM** on **October 13th**, showing their current gameplay, development progress, and implementation. Each video must clearly display the **date and time of recording within the video itself**. Videos must be uploaded through the designated **Google Drive link** shared in the official WhatsApp group.
 - 4. Documentation:** Teams must submit their **game documentation** on **October 15** through the designated submission link. A **documentation template will be provided by the organizers**, and the completed documentation must be submitted in the specified format (**PDF/DOC**). The documentation will be used to evaluate and understand the team's development process and implementation.
 - 5. Final Offline Round:** On October 16, teams will participate in the Live Pitching & Showcase. Each team will have **5 minutes to present their game, followed by 3 minutes for Q&A** with the judges, regarding the game and its technical implementation.
 - 6. Required Equipment:** Teams must bring their own **HDMI cable** for the final offline showcase, along with their **laptops, chargers, extension cables/power strips and any other necessary equipment**.
 - 7. Final Authority:** Decisions made by the judging panel are final and binding.
-
